**Bourbon News:** "Just after Mr. N. H. Bay-  
less, Sr., judge, decided Ben Brummel, L. T.  
Anderson's famous stallion, winner in the  
sweepstakes for best harness stallion, Mr. Bay-  
less changed from the position where he was  
standing and Mr. Anderson wheeled his horse  
at the same time, bringing the horse around  
so as to strike Mr. Bayless with his shoulder,  
knocking him down. It was thought he was  
badly hurt, but after being carried to the  
judge's stand he recovered from the shock and  
was taken to his home on Duncan avenue in  
H. C. Caywood's auto. The accident was of  
course unavoidable, and caused Mr. Anderson  
considerable worry. Mr. Bayless received a  
badly sprained leg and arm, and has suffered  
considerable since. He is reported as resting  
comfortably."

### A GREAT RECORD

Dr. Leonhardt's Internal Pile Remedy  
Makes 98 Per Cent. of Cures

Dr. Leonhardt's Hem-Roid has been tested  
in several thousand cases and was successful  
in all but 2 per cent.

Hem-Roid's wonderful record is due to the  
fact that it is an internal remedy. The cause  
of piles is internal, and it is too much to ex-  
pect to cure piles with ointments, supposito-  
ries or operations. Hem-Roid cures the in-  
ternal cause.

**Deafness Cannot be Cured**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Honored by Women

When a woman speaks of her silent secret suffering she trusts you. Millions have bestowed this mark of confidence on Dr. R. V. Pierce, of Buffalo, N. Y. Everywhere there are women who bear witness to the wonder-working, curing-power of Dr. Pierce's Favorite Prescription—which saves the suffering sex from pain, and successfully grapples with woman's weaknesses and stubborn ills.

IT MAKES WEAK WOMEN STRONG  
IT MAKES SICK WOMEN WELL.

Spices

That Spice

Spices are such an unimportant item that all grocers and many druggists buy them without knowing anything about their grade and flavor; but this is a store that gives strict attention to the little things, and we are as careful in buying spices as we are in buying drugs. The result is that we can guarantee the flavor and purity of every spice we carry.

As with every other item of drugs, we sell them at the lowest prices that this quality may be had for.

It is extravagance to pay more because it is unnecessary.

It is extravagance to pay less, for you cannot get fine spices for less.

THE THRICE-A-WEEK WORLD

It has invariably been the great effort of the Thrice-a-Week edition of The New York World to publish the news impartially in order that it may be an accurate reporter of what has happened. It tells the truth irrespective of party, and for that reason it has achieved a position with the public unique among papers of its class.

If you want the news as it really is, subscribe to the Thrice-a-Week edition of The New York World, which comes to you every other day except Sunday, and is thus practically a daily at the price of a weekly.

When you stop to think of the many pleasant gatherings you can have in a home of your own, can't you see the time you are wasting in a boarding-house, where nothing is or can be just as you want it? Half the joy of living is in associating with your friends—going to their homes and having them come to yours. What can you do in this way if you occupy a stuffy room in a boarding-house? How can you entertain your friends as they entertain you? Besides, it is so easy to

If you really want the girl, and want the home, there is nothing that stands in your way. ### ANSWERS EVERY CALL

Maysville People Have Found That This is True.

A cold, a strain, a sudden wrench. A little cause may hurt the kidneys. Spills of backache often follow. Or some irregularity of the urine. A certain remedy for such attacks. A medicine that answers every call. Is Doan's Kidney Pills, a true specific. Thousands of people rely upon it. Here is one case:  
Ernest H. Staley, East Second street, Vanceburg, Ky., says:

"I use Doan's Kidney Pills occasionally and can say that they never fail to give me prompt relief. I suffered from frequent spells of lumbago and at such times my kidneys became sluggish. An old gentleman finally recommended Doan's Kidney Pills to me and he spoke so highly of them that I procured a box and began their use. They were satisfactory in every respect and gave me the best of results. I always keep Doan's Kidney Pills on hand in case of any recurrence of my trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.  
Remember the name—Doan's—and take no other.

## Your Nerves

Ask your doctor if alcoholic stimulants are not often very disastrous when given to nervous people. He will tell you why. F. C. Ayer Co., Lowell, Mass.

Your nerves must be fed with pure, rich blood, or there will be trouble. Poorly fed nerves are weak nerves; and weak nerves mean nervousness, neuralgia, headaches, debility. Weak nerves need good food, fresh air, and Ayer's non-alcoholic Sarsaparilla.

Newman & Chambers shipped four double-decked carloads of lambs to Jersey City yesterday.

### REMARKABLE FEAT

Says Prof. Henry Lloyd, is Double Discovery of Pole

Prof. Henry Lloyd, Chief of the Department of Mathematics and Astronomy at Trautman University, Lexington, discussing the all-absorbing topic, "The Discovery of the North Pole," says:

"If the present newspaper report that Commander Peary has reached the North Pole proves to be authentic, a most remarkable coincidence will have taken place. Leaving out of account for the present the validity of the claims of both Commander Peary and Dr. Cook, it is still remarkable that the feat that has so long baffled human ingenuity and effort should be accomplished by two independent explorers at so nearly the same time that their reports should reach civilization within a week of each other."

"It is too early to say with confidence that either explorer has or has not accomplished what he claims. The scientific method of giving every man a fair hearing must be evoked. This may require a considerable time. Meanwhile, the scientific attitude of suspended judgment is the only proper one."

The laying of ties for the Lexington-Nicholasville Interurban line has begun. It is planned to begin the operation of the line December 1st.

A F. Kerns had three big oxen killed by lightning Saturday. They weighed about 1,400 pounds each and were worth about \$150. He did not discover his loss until Tuesday.—Carleton Mercury.

### ANOTHER WONDER OF SCIENCE.

Biology has Proved that Dandruff is Caused by a Germ.

Science is doing wonders these days in medicine as well as in mechanics. Since Adam lived, the human race has been troubled with dandruff, for which no hair preparation has heretofore proved a successful cure until Newbro's Herpicide was put on the market. It is a scientific preparation that kills the germ that makes dandruff or scurf by digging into the scalp to get at the root of the hair, where it saps the vitality; causing itching scalp, falling hair, and finally baldness. Without dandruff hair must grow luxuriantly. It is the only destroyer of dandruff. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

IT DOES MATTER  
Where You Buy  
Clothes!

To conduct the BEST clothing store wouldn't be very greatly worth while unless it DID make a difference to you—to every man—WHERE clothes were bought. For, you see, there are a lot of careless men in the world who undervalue the importance of correct models and materials in clothes—and there are a lot of clothes made for that kind of men. None of them are sold here—not ever.

Frankfort State Journal.

Mrs. John G. South entertained yesterday afternoon with a lovely bridge party for Miss Myra Duke, one of the many pretty Frankfort visitors, and the guest of Mrs. Dyke Hazelrigg. Mrs. South's home and large gardens, to quote a young lady, look like a "moving picture house and lot," so pretty are both house and grounds, and on this gala occasion the beauty was enhanced by floral decorations of brown-eyed Susans and clematis.

The large reception hall had a glorious quantity of the bright, yellow flower, but the dining-room and table were in white and green. A large silver loving-cup was filled with white clematis and this was placed on a large, round mirror. The candles of white were shaded in green shades and the mints carried out the scheme of color.

The prettiest of concerts was the ice course. These were moulded into purple and yellow grapes and they were served on natural grape leaves with the individual cakes.

The table of shining mahogany, with the beautiful lace mats and the white and green decorations, was indeed a thing of beauty.

Miss Gladys Rodman and Miss Henrietta Poynta won the prizes—black embroidered silk hose.
